CREDIT CARD AUTHORIZATION

I am committing to raise a minimum of \$1,750 for Latinos Progresando (LP) as part of my charity guaranteed entry to the 2023 Bank of America Chicago Marathon.

I acknowledge that, based on the Bank of America Chicago Marathon guidelines, my 2023 charity guaranteed entry is non-transferrable and cannot be deferred to subsequent years, even in the case of an injury.

In the event that Latinos Progresando has not received \$875 from my fundraising by August 31, 2023. I understand that I will make my own donation to reach this minimum goal. I therefore permit Latinos Progresando to charge my credit card on September 1, 2023 for the difference between my fundraising total and \$875, if my fundraising total is less than \$875.

Furthermore, in the event that Latinos Progresando has not received \$1,750 from my fundraising by October 31, 2023, I understand that I will make my own donation to reach this minimum goal. I therefore permit Latinos Progresando to charge my credit card on November 2, 2023 for the difference between my fundraising total and \$1,750, if my fundraising is less than \$1,750.

I understand there will be no refunds for any reason, and that I will still be required to fundraise \$1,750 even if I am unable to run the Chicago Marathon due to injury or any other personal reason. If I am, for any reason, unable to participate in the 2023 Bank of America Chicago Marathon, all money raised will remain with Latinos Progresando and cannot be counted toward a future race entry.

I have read the Credit Card Authorization terms carefully and understand my commitment to raise at least \$875 by August 31, 2023 and my commitment to raise at least \$1,750 by October 31, 2023.
